*The research project team
№6-2020 "The European transition to a circular
economy - application in Bulgaria"
makes a cordial*

INVITATION

for participation in a round table - discussion
on the problems of the circular economy

The main goal of the project is to study the good European practices in the field of circular economy, aimed at creating a closed-loop production system with minimal use of resources and waste generation, pollution and carbon emissions, and their application in business and the way of life in Bulgaria.

The event will take place on 30 October 2020 (Friday) at 11 am in the Rectorate Meeting Room of the Dimitar A. Tsenov Academy of Economics, Svishtov.

Project manager:

Prof. Tanya Gorcheva, DSc
